

TWENTY-NINTH ANNUAL PATTERN RECOGNITION SOCIETY AWARD

The PATTERN RECOGNITION SOCIETY is pleased to announce the winners of the Twenty-Ninth Annual PRS Award. The Annual Award is made for the best paper published in the journal **PATTERN RECOGNITION**.

Certificates of Honorable Mention are also awarded for outstanding papers. Manuscripts published in Volume 35 (2002) have been judged by the Associate Editors of the journal based on the following criteria:

- 1) *Originality of the contribution*
- 2) *Presentation and exposition of the manuscript*

The winners are awarded a cash prize and bronze medal, printed below.
