DOCTORAL PROGRAM REQUIREMENTS (Graduate Studies – General Regulations, Article 73)

On the recommendation of the graduate program coordinator concerned and in agreement with the research supervisor, a student who holds a graduate diploma or possesses relevant training including graduate courses (or the equivalent) may request to be partially or totally exempted from course credits in his or her doctoral program (except for the four doctoral skills enrichment workshops, CAP7003, CAP7005, CAP7011 and CAP7015).

This exemption must be requested before the end of the 4th semester of studies (Article 73.1.1).

I request an exemption from the following course credits:

(attach original report cards and course description—number of hours, number of units of value)

Institution	Year	Code	Course title	Number of credit equivalents
TOTAL EXEMPTED COURSE CREDITS				

As a result, the doctoral program will include:

	Number of credits
Graduate studies course credits entered in the student's study plan (total of this line and the previous line "total exempted course credits" must be equal to or greater than 15 credits)	
Research and thesis-writing credits (must be 90 credits minus the total credits listed on the previous line)	
TOTAL CREDITS	90
