¹ Semester is indicated for planning purposes only. Students are responsible for choosing courses themselves via web in their student file. Courses chosen via the web that do not correspond to the Study Plan are automatically shifted to the NON-PROGRAM category. The deadline to modify a course’s category is ten (10) days after the course starts.

² Mandatory complementary courses and non-program courses are not counted in the total number of program credits and do not influence grade average calculations.

Note: "Off-campus" courses must be accounted for in the Study Plan. Students must register via the *Bureau de coopération interuniversitaire* (BCI). Courses must not be registered via Web.
