PROGRAM STRUCTURE

The student must submit his completed study plan to the graduate studies agent of his department.

All candidates admitted to a graduate program must have their study plan approved by the Registrar's Office prior to their initial registration or no later than the last day of the course change period in their first semester.
(Graduate Studies — General Regulations, Article 6.1)

SUPPLEMENTAL DOCTORAL TRAINING WORKSHOPS (MANDATORY)

These four non-program workshop credits must be completed no later than the fourth semester after the first registration of the doctoral student so that he is allowed to continue his studies at Polytechnique.
(Graduate Studies — General Regulations, Article 75,5)

Note: These four workshop credits are not counted toward the 90 doctoral credits.

[1] **The semester is listed for planning purposes only. The student is responsible for entering his/her own course choices online in his/her student file. The courses chosen online that do not correspond with the study plan are automatically identified in the OUT-OF-PROGRAM category. The deadline for changing the category of a course is 10 days after courses begin.**

[2] **Required and non-program complementary courses are not counted in the total program credits and do not influence the GPA calculation.**

Note: Courses outside the institution must be listed in the study plan. You must register via the BCI website. You cannot register for these courses via the regular online system.
