

Through the Order of the White Rose, Polytechnique Montréal promotes the commitment and impact of women in engineering. These prestigious \$50,000 scholarships are awarded to outstanding undergraduates students whose academic journey exemplifies academic excellence, determination, and remarkable contributions to their community. By highlighting these inspiring role models, we reaffirm the importance of women in engineering and their key role in driving innovation and progress.

Given name(s)

Family name

Home institution (where you completed your bachelor's degree)

Please tick the following boxes attesting to your eligibility for the Order of the White Rose at the time of the deadline for submission of your application to your institution:

Identify as a woman

A Canadian citizen or permanent resident

A graduate of an engineering program at a Canadian university and have completed your bachelor's degree in December 2024, or be in process of completing it in May or August 2025

Enrolled, or in the process of enrolling, in a graduate studies program in engineering (master's or PhD) to begin the year after receiving your bachelor's degree

I certify that the above information is accurate and complete. By submitting my application, I authorize Polytechnique Montréal, as well as the Fondation et Alumni de Polytechnique Montréal and the McCall MacBain Foundation ("the Foundations") to use my personal information to process and evaluate my application. This information will be communicated to the members of the selection committee to evaluate my application and to the Foundations for reporting purposes. It may be communicated outside the province of Quebec. If I am awarded a scholarship, I agree to the public release of my biography and photo.

Candidate's declaration

I certify that the above information is accurate and complete.

Signature

Date

The form must be included with your duly completed application portfolio, which must be submitted to the department responsible for co-ordinating this competition at your home institution, where you completed your bachelor's degree.
