

THE FUTURE BLOOMS  
IN OUR HANDS

The Polytechnique Montréal Order of the White Rose scholarship seeks to call attention to the entirety of the work accomplished by a student during her undergraduate studies. The \$50,000 scholarship is aimed at rewarding her for her outstanding commitment and, in so doing, to call attention to the important role of women in the field of engineering.

Given name(s)

Family name

Home institution (where you completed your bachelor's degree)

Program of study (bachelor's degree)

## CONTACT INFORMATION

Street address

Apt. no.

City

Province

Postal code

Telephone

E-mail

Please tick the following boxes attesting to your eligibility for the Order of the White Rose at the time of the deadline for submission of your application to your institution:

A woman

A Canadian citizen or permanent resident

A graduate of an engineering program at a Canadian university and have completed your bachelor's degree in December 2023, or be in process of completing it in May or August 2024

Enrolled, or in the process of enrolling, in a graduate studies program in engineering (master's or PhD) to begin the year after receiving your bachelor's degree

## Candidate's declaration

I certify that the above information is accurate and complete.

Signature

Date

The form must be included with your duly completed application portfolio, which must be submitted to the department responsible for co-ordinating this competition at your home institution, where you completed your bachelor's degree.
